De acuerdo al cronograma de actividades anexo del presente oficio le informamos a la entidad que proyectamos un atraso en la ejecución de dos actividades necesarias para la entrega a satisfacción de la orden de compra y afectadas por situaciones puntuales que describimos a continuación:

1. Generación del 100% de las tarjetas de propiedad y placas metálicas para instalación en las motocicletas, actualmente el tránsito de Bogotá ha entregado 40 matrículas de las 236 solicitadas, este proceso se vio afectado en su tiempo de desarrollo debido al reproceso de segunda recolección de firmas en los formularios de tránsito por cambio del ordenador del gasto y firmante de estos documentos en la SECRETARIA DISTRITAL DE MOVILIDAD.
2. Instalación de calcomanías “Secretaria Distrital” y “Gerencia en vía”, que fueron producidas por fuera de tiempos del kit de calcomanías de la motocicleta, de las cuales se realizó un desarrollo que se sometió a visto bueno a satisfacción del grupo técnico de la SECRETARIA DISTRITAL DE MOVILIDAD debido a que se fabricaban por primera vez desde FANALCA S.A.

Por lo anterior, respetuosamente solicitamos a ustedes aceptar un nuevo plazo para el cumplimiento de las entregas de los vehículos amparados por la Orden de Compra.

- 15 días calendario adicionales – Nueva fecha de vencimiento 17 de marzo del 2022. (Para la **Orden de compra No. 81056** con vencimiento actual el 02 de Marzo de 2022).

Confirmamos que esta prórroga no implica valores adicionales sobre la orden de compra que tenga que asumir la entidad compradora.

Quedamos muy atentos a sus noticias.

Cordialmente.
